

SAMMY SIDE TABLE

alor

Description

So we got a little carried away with this one.

This chunky little number is stocky and built to last, and you better believe it can hold a cup of coffee, or a big fella holding a cup of coffee for that matter.

Designed to be either a side table or stool, this design boasts the same hefty legs as the Frankie Dining Table, while utilizing the same quality FSC certified timber.

Material Options

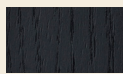

Timbers

Oak

Walnut

Stained Ash

Custom finishes available on Request

Certification

Alor products are made from FSC certified Timbers that have been sourced from forests that are managed in a way that preserves biological diversity and benefits the lives of local people and workers, while ensuring it sustains economic viability.
